Construction to begin on ND Highway 23 north of Max

Construction on westbound ND Highway 23 at the Junction of US Highway 83, approximately 11 miles north of Max, will begin Monday, July 9. Work consists of roadway grade raise.

During construction:

- Speeds will be reduced to 25 mph
- 12-foot width restriction
- Flaggers may be present

This project is expected to be completed in late September.

The traveling public should use caution when driving through the construction zone. Motorists should allow extra distance between their vehicles and the vehicles in front of them, use extra caution and obey flaggers and posted signs.
